

## FROM THE PRINCIPAL

Dear Parents and Community Members,

This redesigned school report card provided by the Oregon Department of Education offers a comprehensive view of Scio High School. We are rated at level 4 which means we are slightly above average high schools in the state. Our academic program continues to be focused on implementing the Common Core Standards. In doing so, our writing emphasis across all content areas is a must and standards based grading continues to grow in importance.

Our goal or mission is to prepare our young people for the real world so they are college and career ready. We have excellent teachers who care about the students and will work to see all of

their students succeed. As a parent or guardian you can help by checking student's homework and providing a place and time for your son or daughter to work at home. Also attend parent conferences and stay informed by looking on line at your son/daughters progress.

Thank you,

Principal | Bryan Starr

## STUDENTS

## OVERALL STATE RATING HOW ARE STUDENTS AT THIS SCHOOL PERFORMING COMPARED TO THOSE AT OTHER SCHOOLS?

The overall state rating is intended to summarize this school's particular successes and challenges. It is based on a combination of up to five factors. Three of these factors come from standardized test scores in reading and math: student achievement, student growth, and the growth of underserved subgroups. High schools are also rated on the overall graduation rate for the school and the graduation rates of underserved subgroups. Please be aware that this rating is based mainly on high-stakes testing and accordingly, represents a limited view of student performance. Other aspects of this report card are designed to put this rating in the proper context.
